

Welcome to the current Lithuanian capital city of Vilnius, the first Lithuanian capital city Kernave, and one of the most important political centres of the Lithuanian Grand Duchy – Trakai.

In this App you will find:

- bicycle routes
- water routes
- walking routes

Vilnius Tourism City Guide is a 100% offline, so you will not get a huge phone bill for the internet. With "Near Me" function you will easily navigate through the city and all your "Favorites" are stored for later use.

- Offline maps
- Location based navigation
- Hundreds of points of interest
- Create your own tour
